To: Marija Petrusevska <marija.petrusevska@medf.ukim.edu.mk>

Dear Marija,

I am pleased to inform you that your abstract below has been accepted into the 19th World Congress of Basic and Clinical Pharmacology as a poster. As we have received a large number of abstracts, we are still finalising the programming, and will inform you of your poster presentation day by 14 February.

All presenters must be registered for the Congress. The early bird deadline is **17 March 2023**. [Register here](#).

Glasgow Convention Bureau is the official accommodation provider for the 19th World Congress of Basic and Clinical Pharmacology (WCP2023) and has negotiated specially discounted rates with a wide range of hotels. Accommodation will be sold on a first come, first served basis and the published rates will only be **available until 19 May 2023**. [Book now](#) to avoid disappointment and secure your discounted rate.

You can still apply for a WCP2023 bursary. The deadline to apply is **14 February 2023**. You can find out more information about the [bursary here](#).

If you have any further questions, do let us know. We will be in touch again soon with further information on your abstract presentation.

## Speaker Presentations

Title	Oxidative stress index as prognostic marker for disease severity and its correlation with proinflammatory cytokines and lymphocyte subpopulation in COVID-19 patients
