of Cardiology

### Moderated Cases 2: Chest pain, arrhythmias and more

**Chairpersons: P. Jorge Perez (Tenerife, ES)**

- 15:30 > Chest pain in a pulmonary arterial hypertension patient: novel situations in acute cardiac care. 83**  
*J. Nuche Berenguer, J.M. Montero-Cabezas, C. Jimenez Lopez-Guarch, M.T. Velazquez Martin, R. Martin Asenjo, A. Lareo, F. Arribas Ynsaurriaga, P. Escribano Subias (Madrid, ES; Leiden, NL)*
- 15:36 > When less intervention is the best for the patient. 84**  
*R. Caldeira Da Rocha, R. Fernandes, D. Neves, J. Pais, M. Carrington, D. Bras, R. Guerreiro, K. Congo, B. Picarra, J. Aguiar (Evora, PT)*
- 15:42 > An unexpected finding in a patient presenting with an acute coronary syndrome. 85**  
*S. Alegria, I. Cruz, G. Morgado, A. Marques, A.C. Gomes, A.R. Pereira, A. Briosa, C. Martins, O. Simoes, C. Saraiva, H. Pereira (Almada and Lisboa, PT)*
- 15:48 > Ultra-low contrast coronary angiography and zero-contrast coronary intervention as a prevention of contrast-induced acute kidney injury in a haemodialysed patient with residual renal function 86**  
*J. Sacha, M. Gierlotka, P. Feusette (Opole, PL)*
- 15:54 > Study of one patient with acute coronary syndrome without obstructive coronary disease. 87**  
*A. Valentim Goncalves, V. Visconti, L. Ferreira, R. Carvalho, R. Cruz Ferreira (Lisbon and Loures, PT)*
- 16:00 > Electrical storm as an unusual presentation of an infective endocarditis after transcatheter aortic valve implantation. 88**  
*T. Romero-Delgado, A. Escudero-Diaz, R. Bottino, A. Jeronimo-Baza, T. Luque, C. Ferrera, F.J. Noriega, J.J. Gomez De Diego, I. Vilacosta, A. Viana (Madrid, ES; Napol, IT)*
- 16:06 > Hemorrhagic cardiac tamponade complicating a myocardial infarction: facing the unexpected. 89**  
*G. Bentea, Y. Bouckaert, S. Franck, A. Friart, A. Leone (La Louviere, BE)*
- 16:12 > Successful treatment of post-traumatic stress disorder following an internal cardiac defibrillator storms using eye movement desensitisation and reprocessing therapy: A Case Report 90**  
*D.F. Mclaughlin, D.F. Fitzsimons, D.R. Thompson, P.W. Miller, I.W. MCGowan, C. Ski, E.M. Mclaughlin (Belfast and Glengormley, GB)*
- 16:18 > Hypokalemia-induced malignant arrhythmia in patient mimicking guillain-barre syndrome. 91**  
*I. Bojovskī, M. Vavlukis, G. Novotni, I. Kotlar, M. Boshev, S. Paljoskovska-Jordanova, S. Kjaeva, E. Shehu (Skopje, MK)*
- 16:24 > Low risk chest pain pathway incorporating modified heart score and high sensitivity troponin reduces patient length of stay and hospital admissions whilst promoting safety with targeted follow up. 92**  
*A. Kopanska, R. Cooper, S. Burke, J. Bath, M. Patel, J. Taylor, T. Cobb, T. Hyde (Swindon, GB)*
