ISoP 2026 Abstract Decision

25th GLOBAL MEETING
San José, Costa Rica 2026

Dear Kristina Pavlovska,

On behalf of the Scientific Committee of the **25th Global Meeting of the International Society of Pharmacovigilance (ISoP 2026 Costa Rica)**, we are pleased to inform you that **your abstract submission (ID: 28) The Role of Proactive Therapeutic Drug Monitoring of Infliximab in**

Patients with Inflammatory Bowel Disease has been accepted for Poster at ISoP 2026, to be held in **San José, Costa Rica**, from **September 22–25, 2026**.

Abstract Publication

Accepted abstracts submitted by presenters who complete their registration by **June 16, 2026**, will be published in the conference's online abstract book of **Drug Safety**, the **official journal of ISoP**.

Next Steps

At least one author (the presenting author) must register for ISoP 2026 Costa Rica. If you haven't already registered, please do so as soon as possible, and no later than **June 16, 2026**.

- **To register**, visit: <https://www.isop2026costarica.org/registration>
- Please note that ISoP is unable to support your accommodation or travel expenses.

Visa Information

To check if you require a travel visa, please consult: <https://www.isop2026costarica.org/visa>
Visa processing times vary by country, so we strongly recommend beginning the process early. You must register for the conference to receive an official invitation letter to support your visa application.

Oral/Poster Presentation Guidelines

Further details regarding poster format and oral presentation guidelines will be shared with you in the coming weeks.

Once again, congratulations on your acceptance. We look forward to welcoming you to Costa Rica this September! For information regarding registration please refer to Sofía Rodriguez at srodriguez@falconfenix.com. For information regarding academic matters please contact academic@isop2026costarica.org

Kind regards,

Betty Duarte
